VFW Department of New Jersey Gives to National Home

Eaton Rapids, Mich. – The VFW Department of New Jersey proved to be generous at this year’s VFW Washington D.C. Conference. For the second consecutive year the Department of New Jersey presented a donation to the VFW National Home for Children from various individuals and organizations in the Department totaling more than \$11,000.

National Home Director Patrice Green and National Home Board President Mel Garrett accepted the donations from Jack Shevedaker, the National Home Chairman for the Department of New Jersey. Some of the donations were restricted to the New Jersey House Fund and the Activity Fund, while some were unrestricted for the General Fund.

In making the presentation, Chairman Shevedaker expressed the feelings of the members of the Department of New Jersey. “We want to thank the staff of the National Home for providing the love and support for the children and families of our comrades,” Shevedaker said. “The Department of New Jersey and its members pledge to them our continued support.”

“We are so pleased that the Department of New Jersey has shown their selflessness and presented the National Home with this generous donation,” said Green. “This Department has set the bar high and is a shining example of a National Home supporter. We thank the individuals and the Posts that made this donation possible.”

Since 1925 the VFW National Home for Children has been providing for the children and families of our nation’s veterans, while at the same time serving as a living memorial to our nation’s heroes.
