TRANSFORMING SPACE.
BUILDING MEMORIES.

Converting Our Underutilized Gym into an AMAZING KIDS THEATER ROOM!

- Outdated, non-functional equipment
- Underutilized space
- Not aligned with the needs or interests of our kids
- Gym and playroom in the same space = inefficient use

- Modern, exciting theater room kids love
- Supports enrichment, relaxation & family-style fun
- Maximizes every square foot for our kids' benefit
- Encourages connection, teamwork & positive friendships

SCAN TO DONATE

This transformation will give our kids a safe, engaging place to connect, relax, and grow together—turning an outdated space into a powerful tool for community, joy, and lifelong memories.

Your gift will support the Theater. If the project cannot be completed as planned, your donation will be used for similar needs that have the greatest impact on Veteran and military families.
